GOD

Growing more like Jesus together

ENGAGE THE MESSAGE:

1. **Read** Acts 4:23-32
2. What does verse 25 tell us about how the Bible is written? What does that mean for what we read today?
3. What do you see in the world that drives you to pray?
4. What does it mean to be bold for Christ? Who do you know that is?
5. What is your piece of the puzzle in God's Kingdom? What is your gift that God has given you? Are you developing your gift to make yourself better?
6. God made everyone with a specific and special purpose. God knows all. He doesn't make mistakes. What is something in your life you struggle with that you don't like about yourself? How can you grow and turn that thing you hate into a strength?
