

# bridgeway GROUPS

## **GROUP CHECK IN:**

Check in on the group with their habits. Start with devotions. How are they doing with devos? What are they learning? Anything they've really enjoyed or has challenged them lately from it? Are they looking for ideas of something to do?

## **SERIES FOCUS:**

We are in the Crossroads: A study in world religions series. Throughout this series we will be focused on the "Others" value of groups. Pray for opportunities to share the gospel!
