DISCUSSION GUIDE: **June 16 - Ron Aulbach**

“How To Grow In Prayer”

LIFE: Who taught you how to pray?

ENGAGE THE MESSAGE:

1. Read **Ephesians 3:14-21**.
2. What fears do people have about praying?
3. How have you experienced God as a **personal** God?
4. In what ways can you be more **relational** with your prayers? Are there things you haven't opened up to God about? How could a shift in being more open with God change your relationship with Him?
5. Do you believe God wants to bless you out of His glorious riches? What things could you boldly **ask** God for in your life?
6. Pastor Ron said that part of growing in prayer is to **yearn** for the power of God. How can praying for yourself and your church/community increase your desire and deep passion for the love of God?

MAKE DISCIPLES: How will you incorporate praying for our church and community into your prayer life? Who can you pray with this week?
