DISCUSSION GUIDE: **December 29 - Mike Antuma**

"The Art of Forgetting"

LIFE: Are you a New Year's resolution person? What is one of your 2025 goals?

ENGAGE THE MESSAGE:

1. **Read Isaiah 43:14-19.**
2. Isaiah 43:18 says, "Forget the former things; do not dwell on the past." How can forgetting the past be helpful?
3. How often do you dwell on past sins? What in your past would be better forgotten?
4. What do you forget about God? What are God's promises to all who believe and trust in Him?
5. What are some stories about God you want to remember this year?
6. What do you want God to do in your life this coming year?
7. How do you define your identity? God says you are a child of God when you believe and trust in Him. Are you accepting and owning that identity?
8. Read Ephesians Chapters 1 and 2 and find all the places that God defined as your identity in Christ.

MAKE DISCIPLES: Who can you encourage to forget the former things and remember who God is and what He has done?
