NEW YEAR OPPORTUNITIES:

Have you checked out “Rooted” or “Discipling the Next Generation”? Both are coming up and are great aids for spiritual growth!

DISCUSSION GUIDE: January 5 - Mike Antuma

“The Disciple”

LIFE: Was there anyone in your past whom you emulated? How did they influence your clothing, hairstyle, speech, or other life activities?

ENGAGE THE MESSAGE:

1. **Read 2 Timothy 2:1-2.**
2. How would you define “disciple”? In what ways do you see discipling in these verses?
3. **Read Romans 10:9 and Matthew 16:24.**
4. How do these passages move us from salvation to becoming a disciple?
5. In what ways did the 12 apostles learn how to disciple during their three years with Jesus?
6. **Read Matthew 28:19-20.**
7. Pastor Mike listed some “organized” and “spontaneous” ways to disciple. In what organized and/or spontaneous ways were you disciplined?
8. When it comes to discipling others, it often “interrupts” life routines. Have you created space in your life for the “interruptions” of discipling?

MAKE DISCIPLES: Who are you discipling? Who is discipling you?
