DISCUSSION GUIDE: March 30- Ron Aulbach

“Celebrate! Baptism Sunday”

LIFE: What was one of the best celebrations you’ve ever attended?

ENGAGE THE MESSAGE:

1. **Read 1 Samuel 7:12.**
2. Name some defining moments in your life.
3. Samuel set up a stone to mark a defining moment for the Israelites, saying, “Thus far the LORD has helped us.” Have you used a marker of any kind to remember spiritually defining moments?
4. The Israelites had seasons of following God and seasons of stepping away. Can you see this pattern in yourself? What are some things that pull you away from God? What are some things that draw you back to Him?
5. How can you “place your rock” during challenging times in life, to remind you that our God is the Rock who loves you and continually guides you?
6. **Read Acts 22:16.** Have you been baptized, washing your sins away, calling on His Name? If not, what are you waiting for?

MAKE DISCIPLES: Baptism testimonies are powerful messages. Are you prepared to share your story with someone else?
