## DISCUSSION GUIDE:      March 9 - Mike Antuma

“Next Step”

**LIFE:** When was the last time you tried to learn something new? What was the experience like?

### ENGAGE THE MESSAGE:

1. **Read Matthew 14:25-31 & Matthew 28:18-20.**
2. What were the three action verbs in Matthew 28:19?
3. How did Jesus make disciples and teach “everything”?
4. Where are you now in your relationship with Jesus: a new believer, a long time Christian, or somewhere in between?
5. What steps have you taken at BridgeWay? Examples: attended events, baptism, worked on a serving team, joined a small group, participated in Rooted, served in a leadership role.
6. In what areas have you grown through God's guidance?
7. How is God calling you forward in your faith journey? Can you identify a “Next Step” for yourself?
8. What's stopping you from taking that next step?
9. Consider reaching out to one of the BridgeWay pastors or talk to your small group about a potential “next step” for you.

**MAKE DISCIPLES:** How can you step alongside someone else in the Church and encourage their growth in next steps?
