DISCUSSION GUIDE: March 23 - Ron Aulbach

“What do we do with Artificial Intelligence?”

LIFE: What have you used AI for? How was that experience?

ENGAGE THE MESSAGE:

1. **Read 1 Timothy 6:20-21.**
2. **For more on using words read Proverbs 10:19, Matthew 12:36, and Colossians 2:8.**
3. In what ways do you have godly conversations throughout your week?
4. Where have you seen “using many words” to be a problem?
5. How can we prevent being “taken captive” by values that aren't of Jesus?
6. How could you use technology to impact the world around you for Jesus?
7. What skills are lost when you use AI?
8. Do you rely more on AI or divine technology?

MAKE DISCIPLES: Technology is a part of our lives, whether we wanted it to be or not.. How can you encourage spiritual growth in others with and without technology?
